24th Annual All American Columbus Pet Expo Media Release

The 24th Annual ALL AMERICAN COLUMBUS PET EXPO is the largest indoor Pet Expo in the USA! Held in the 154,000 square ft Bricker Multi-Purpose Building on the massive grounds of the Ohio Expo Center in Columbus, Ohio, it allows ample parking to accomodate thousands of cars.

Based on the previous 23 years, a projected attendance of 20 to 25 thousand pet lovers will be attending over the 3 days of March 8-9-10, 2019. Success is guaranteed due to an extensive ad campaign that involves numerous social media pet contests, email blasts to targeted audiences, TV, Radio, print, Youtube and Instagram commercials, and Groupon promotions. Plus, additional campaigns by show sponsors!

The ALL AMERICAN COLUMBUS PET EXPO has something for everyone from 3 to 93! The show includes all the PET WORLDS, Dogs, Cats, Reptiles, Fish, Birds, Rabbits, Llamas and more! The main themes of the show embrace: "A Celebration of the Family Pet" - "Promoting Responsible Pet Ownership" and "Think Adoption First."

A MEGA PET ADOPTION has also always been a contributing factor to the success of the ALL AMERICAN COLUMBUS PET EXPO! The collective efforts generate around 500 adoptions annually from the participation of 20 Humane Societies and Pet Rescue groups. Another significant benefit offered to the Pet Lovers is to understand the importance of SPAY AND NEUTER. Discount packages on Spay and Neuter services are also available at the show.

The ALL AMERICAN COLUMBUS PET EXPO for 2019 also includes a horse rescue, llama exhibit, ferret races, an official TICA (The International Cat Association) sanctioned All About Cats Expo with 250 pure breed cats competing in 9 judging rings and more. Pet Lovers are welcome to bring their pets with them and participate in numerous events! EUKANUBA sponsors the NORTH AMERICAN DIVING DOGS competition with a 40 ft dock into a 40 ft pool next to a 100 ft arena featuring the SOUTHERN OHIO FLYING CANINE'S World Championship Frisbee Dogs and lessons on how to teach your dog to be a Frisbee Champ! Complimenting that activity are two giant Dog Luring Courses which are ongoing for 3 Days and are positioned adjacent to another 100 by 50 ft Dog World Arena hosting Dog Agility performances, and the PET VALU DRESS UP YOUR PET CONTEST held each day.

For Bird Lovers "THAT GUY WITH THE BIRDS" features over 35 talented entertaining parrots and on the opposite end of the 3.5 acres of Pet Entertainment is the Nationally Famous JOHNNY PEER'S MUTTVILLE COMIX SHOW that mesmerizes people with his talented rescue dogs which perform 30 minutes of hilarious and fun tricks. Plus for 24 years Timberlane Llama has always organized some of Ohio's wonderful Llama people with their Llamas for you to visit with.

The 2019 KIDS WORLD features giant inflatables along with a Kids Craft area and Kids Stage with puppet shows kids can participate in 3 times daily sponsored by Curious Critters. This is positioned next to the wonderful and unique NATIONAL CRAB RACING ASSOCIATION, sponsored by UNIVERSAL WINDOWS, which returns to the ALL AMERICAN COLUMBUS PET EXPO after a 6 years hiatus! Pick your own Hermit Crab to enter in any of the numerous daily races.

Top all that off with our newest attractions - RABBIT RACES! Produced by the AMERICAN HOPPING ASSOCIATION and a DOG PARK INSIDE THE SHOW Sponsored by GYMS FOR DOGS. With all this you have an event that has earned the reputation for being the ALL AMERICAN COLUMBUS PET EXPO "THE GREATEST PET SHOW ON EARTH!"

Showcased front and center of all this amazing family-friendly and pet-friendly fun is an excellent array of everything new and exciting for pets and pet care services which comprises our MEGA PET MALL! Vendors and sponsors benefit from the opportunity to present their products and services to a massive targeted audience.

Steve Cantin Productions encompasses an impressive portfolio, with over 40 years of experience and the production of 400 successful major public events!
